## ABOUT US

*NAMI started as a small group of families gathered around a kitchen table in 1979 and has blossomed into the nation's leading voice on mental health.*

Today, there is an alliance of more than 600 local affiliates and 49 State Organizations who work in local communities to raise awareness, provide education, and offer support that was not previously available to those in need. Join JLP Forever in supporting NAMI in the memory of our Brother and Friend, Joe Pappas.
