THE STORY BEHIND THE CELEBRATION

A friendship that became a mission.

JLP Forever, Inc. was born of love, loss, and friendship. After the passing of their dear friend Joseph Pappas, a close-knit group of friends came together with a simple yet powerful mission: to honor Joseph's life by carrying forward the love, compassion, and community spirit he embodied. United by grief and sustained by his memory, they established JLP Forever, Inc. as a 501(c)(3) nonprofit organization to turn remembrance into impact.

Each year, the friends gather to celebrate Joseph's life and share in his love of music, raising money for a cause they believe he would have championed. Past years have supported Wounded Warrior Project and St. Jude Children's Research Hospital. This year, JLP Forever is supporting the St. Nicholas Cathedral Restoration Fund: a legacy of faith, a future of hope.

Through these efforts, JLP Forever, Inc. transforms the deep loss of one friend into healing, support, and connection for many others. What began as a way to honor Joseph lives on as a growing commitment to ensure that his spirit of friendship, generosity, and love will forever echo in the lives of those they touch.
